WORK EXPERIENCE

Netscout, Software Engineering Intern

2016 - Present

- Developed a Ruby on Rails web application to analyze team productivity, eliminating five man hours of manual chart and metric generation per week
- Queried Rally Web Services and Lookback APIs to automatically generate and save report data in sqlite and postgres databases
- Rendered data into beautiful and responsive charts using Highcharts.js
- Secured app through HTTP Basic Authentication and deployed to Heroku
- Implemented Resque/Redis background processing
- Crafted an intuitive and responsive dashboard using HTML with embedded Ruby, CSS, Javascript, JQuery, and Bootstrap
- Fixed legacy code inaccuracies for generating defect severity metrics

Triple G, LLC, Chief Technology Officer

2015 - Present

- Generated widespread exposure (30 million views within a month) for social media accounts by creating video advertisements
- Delivered services such as domain management and responsive web design
- Designed and launched a mobile-friendly site for Double Trouble Creatives
- Updated and launched iOS applications using Swift and XCode

Fidelity Direct Mortgage, Marketing and Design Intern

Summer 2015

- Developed personalized marketing campaign and organized a database of 4,000+ clients to easily differentiate different types of clients
- Designed 50+ customizable property, product, ad, and info fliers

LEADERSHIP EXPERIENCE

Bitcamp Hackathon, Director of Logistics

(2015 - Present)

- Budgeted \$180,000+ for food, facilities, security, travel, and other expenses
- Led team of 20+ organizers in planning and logistics discussions
- Guided sponsors and acted as point of contact for Oculus VR
- Ensured reliable multimedia and A/V, facilities management, and food for UMD's national hackathon to accommodate 1,200+ participants
- Designed floor plans for event venue to strategically place food lines, A/V equipment, sponsor tables, hacking space, and volunteer center

Honors College Student Programming Council, President (2015 - Present)

- Coordinated with Honors College faculty and staff and lead a team of ten to plan and execute social events with annual budget of over \$10,000
